

TRACT 46022 - Bienville Parish, Louisiana

All of the mineral rights only under land adjudicated to and acquired by the State of Louisiana in and through a proper tax sale, and subsequently alienated by the State which retained the mineral rights thereto, and which is not under valid mineral lease from the State of Louisiana on March 11, 2026, situated in Bienville Parish, Louisiana, and being more fully described as follows: That certain tract of land being the West Half of East Half of Southeast Quarter (W/2 of E/2 of SE/4) and West Half of Southeast Quarter (W/2 of SE/4) of Section 10, Township 16 North, Range 7 West, Bienville Parish, Louisiana, being the same lands described in that certain Patent from the State of Louisiana to Allen Davis, dated August 12, 1949 and recorded in Conveyance Book 180, Page 428, Instrument No. 109825, Records of Bienville Parish, Louisiana, herein containing **120 acres**, all as more particularly outlined on a plat on file in the Office of State Resources, Department of Conservation and Energy. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927, (North or South Zone), where applicable.

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: No surface activity on this tract undertaken in conjunction with any operations under any mineral lease given on this tract will be allowed without prior approval of the surface owner and further, no such right of surface use shall be deemed to have been given as part of any mineral lease by the State of Louisiana on this tract.

Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: No surface activity on this tract undertaken in conjunction with any operations under any mineral lease given on this tract will be allowed without prior approval of the surface owner and further, no such right of surface use shall be deemed to have been given as part of any mineral lease by the State of Louisiana on this tract.
