

**TRACT 46087 - St. Martin and St. Mary Parishes, Louisiana**

All lands now or formerly constituting the beds and bottoms of water bodies of whatever description and nature owned by the State of Louisiana and located within the geographical boundaries of the Attakapas Island Wildlife Management Area and not presently under mineral lease by the State of Louisiana as of June 10, 2026, the area being set forth as follows: Beginning at a point having Coordinates of X = 1,971,248.81 and Y = 449,591.40; thence East 11,785.71 feet to a point having Coordinates of X = 1,983,034.52 and X = 449,591.40; thence South 9,240.00 feet to a point having Coordinates of X = 1,983,034.52 and Y = 440,351.40; thence West 11,785.71 feet to a point having Coordinates of X = 1,971,248.81 and Y = 440,351.40; thence North 9,240.00 feet to the point of beginning, containing approximately **2,500 acres**, all as more particularly outlined on a plat on file in the Office of State Resources, Department of Conservation and Energy. All bearings, distances and coordinates are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: This tract is located in the Attakapas Island Wildlife Management Area under the jurisdiction of the Louisiana Department of Wildlife and Fisheries which has promulgated rules and regulations for the protection of game and wildlife on the aforesaid Tract and, therefore, shall be subject to said rules and regulations, a copy of which may be obtained from the Department of Wildlife and Fisheries. In addition to the specific rules and regulations applicable, the following shall apply regarding operations under this mineral lease:

1. No activities will be allowed without written authorization from the Louisiana Department of Wildlife and Fisheries. All projects will be coordinated and approved by the appropriate WMA Manager prior to any activities on the wildlife management area.
2. Proposed projects will be evaluated on a case by case basis. Modifications to proposed project features, including, but not limited to, access routes,

spoil placement, well sites, flowlines and appurtenant structures may be required by the Department of Wildlife and Fisheries.

3. Compensatory mitigation will be required to offset unavoidable wetland impacts.

4. Removal of all structures, facilities and equipment will be required within 120 days of abandonment unless otherwise agreed to in writing by the Department of Wildlife and Fisheries.

5. No activities will be allowed during the hunting season unless approved by the Department.

6. Compliance with the said WMA regulations will be required unless otherwise specified by the Department.

7. Prior to submitting applications for wetland permits to Federal and State permitting agencies the leaseholder shall coordinate project details with the Department of Wildlife and Fisheries. Contact person for the Department will be Mike Perot at (225) 765-3978.

8. Additionally, the Department will require a Minimum royalty for years 1-3 of 18.5% (rate will run for 3 years on 1st production). After 3 years of production, royalty will increase to 2% over the accepted bid rate. Production must begin within 24 months after execution of lease; otherwise royalty will increase to 4% over the accepted bid rate.

NOTE: The State of Louisiana does hereby reserve, and this lease shall be subject to, the imprescriptible right of surface use in the nature of a servitude in favor of the Department of Conservation and Energy, including its Offices and Commissions, for the sole purpose of implementing, constructing, servicing and maintaining approved coastal zone management and/or restoration projects. Utilization of any and all rights derived under this lease by the mineral lessee, its agents, successors or assigns, shall not interfere with nor hinder the reasonable surface use by the Department of Conservation and Energy, its Offices or Commissions, as herein above reserved.
